About Us

We are delighted to introduce our selves as one of the most resourceful and experienced Manufactures in the Electrical Accessory Field. We are proud to say that founders of the company include former Interior designers, Entrepreneurs and product designers which lead to an overall increased focus on aesthetics, functionality, efficiency and innovation.

Our 30 years of experience in the electrical accessory manufacturing sector gives us an upper hand in terms of the functioning. Usually, the small things in life are taken for granted like the switch you use more that 30 times a day. But at **Ampele electrical**, it is our sole purpose to deliver the most safest and efficient electrical accessories. Our customers are always in the centre during the whole process and we strive to follow a customer-centric design approach. You can count on us anytime for safety, aesthetics as well as for turn-around times.

Our ability to be close to our customers has enabled us to make a significant place for us in the Indian market. Our employees are our biggest possessions so we always strive to create a positive working environment for all of them and make sure we listen to their needs whenever required. Our employees love to work here and they treat the company as their own and take heightened responsibility for their activities. Our manufacturing plants have the best tools, technologies and systems at per with the most excellent amenities around the globe.

We believe in creating long-term relationships as we value our clients and always to deliver only the best.

Testing, Research & Development Laboratory

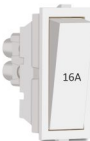

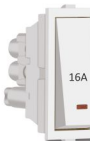

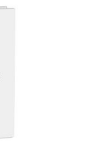

AN ISO 9001-2008 COMPANY

Ideal proportions, an elegant look, and a sleek design - these are the key features of DELTA line. This switch range sets new standards in the language of design: narrow corner radii, exact outer edges and a harmonious surface appearance. Special feature: the slim form. The switch blends timelessly with any interior design, highlight by the modern range of product colors - Black & white, White & Silver, Black & Gold and Textures.
